Thank You For Working With Us in 2020!

2020 was an unsettling and difficult year for everyone. Despite the considerable challenges on a personal and community level, Klein Hornig remained fully operational with attorneys and staff working remotely starting in mid-March 2020. Our mission is more important than ever, and we will continue to work diligently and creatively on behalf of communities in need of affordable, quality housing and other community resources. We are especially grateful to our clients, who make it possible for us help to develop and preserve affordable housing and revitalize communities with legal solutions that are smart, efficient and durable.

We look forward to working with you in 2021!
