Overview

It's an honor to work at a mission-driven Firm with a focus on creating and preserving affordable housing. I'm proud of the Firm's participation with the creation of the Housing Navigator, a valuable tool for those seeking affordable housing. The Firm's respect for others carries over to their treatment of their staff which makes this such a great place to work.

Carole Marino is a legal assistant with over 30 years of experience. Having worked at Klein Hornig for over a decade, Carole has significant experience assisting attorneys and paralegals in all aspects of deal management including, maintaining checklists and organizational documents, editing and saving documents and preparing document binders for closing. As a former word processor/legal assistant at a large nationwide law firm, Carole has deep knowledge of word processing and is often called upon for her high level skills in that area.

“ Equity: Just and fair inclusion. An equitable society is one in which all can participate and prosper. The goals of equity must be to create conditions that allow all to reach their full potential. In short, equity creates a path from hope to change.
