Overview

I joined Klein Hornig because it seemed like a firm where my work could make the world a better place. Housing costs are the single largest expense for the average American family, and I am proud to be part of a team that helps our clients alleviate that burden for those who need it most.

Justin Fuller is a Paralegal at Klein Hornig and regularly assists Klein Hornig attorneys with entity formation, corporate governance, navigating HUD's RAD, HAP, and PRAC programs; TOPA compliance, drafting real estate instruments, conducting land records research, reviewing title and survey, and handling various due diligence matters. Justin has worked on projects nationwide and has a keen eye for the nuances of each state and jurisdiction.
