## Overview

**I chose Klein Hornig after reading the Firms mission statement. I firmly believe in community service and my family practices that every day, whether working with our youth, teaching job skills or assisting folks in their search for housing. Klein Hornig and its clients carry that same passion and it's nice to go to work and feel good about your job every day.**

Paula Pineo is Klein Hornig's longest tenured legal assistant with over a decade at Klein Hornig and forty years of experience in the legal industry. She supports attorneys in all aspects of a real estate, affordable housing, community development transaction including document preparation and management. Her high level administrative and organizational skills brings a wealth of knowledge to the team, particularly with her background in transactional real estate, commercial law, zoning, permitting and land transactional real estate contracts. She has an in-depth understanding of the deal process and of the intricate mechanics required for overseeing complex, multi-funded deals and often serves as the point of contact when the attorney is not available.

“

The best way to find yourself is to lose yourself in the service of others.
