## Overview

**I chose Klein Hornig not only because of the Firm's mission, but also because it provides me the professional growth I desired for my career. I regularly have a chance to learn new skills, take on leadership responsibilities, and problem solve by thinking outside the box.**

Susy Natalia is the Accounting Assistant at Klein Hornig. She manages all aspects of Accounts Payable for the Firm and regularly assists the Firm's Billing Coordinator with client invoicing and follow-up. Susy also works directly with the Firm's Controller to assist with year-end procedures and various other projects, as needed.

“ A dream does not become reality through magic; it takes sweat, determination, and hard work.
